

RSE (Relationships & Sexuality Education)

Dear Parents,

The Department of Education and Skills requires all schools to teach RSE (Relationships and Sexuality Education) and to have an RSE Policy. This policy ensures that RSE is taught in a way that reflects the core values and ethos of our school.

As a parent, you are the first and most important teacher of your child when it comes to relationships and sexuality. A school based RSE Programme complements and supports what children are learning at home.

At primary level, RSE aims to help children learn, at home and in school, about their own development and about their friendships and relationships with others. This work will be based on developing a good self-image, promoting respect for themselves and others and providing them with appropriate information.

During ~~November 2024~~ ~~2024~~ May classes from Junior Infants to 4th class will receive an RSE lesson on new life/birth.

All lessons are appropriate to the child's age and understanding.

Lesson plans can be accessed on the www.pdst.ie/node/811 (link on website).

Below are the relevant themes for Junior Infants to 4th Class.
